FINANCE PLAN: THE GOOD SPIES (ISREEL™)

1. Funding Methodology

The project utilizes a hybrid production financing approach combining private venture capital, strategic brand integration, and media outreach funds.

2. Capital Tranches

* Tranche A (Seed / Development Equity): Managed via HaKhan LLC to secure initial regulatory approvals, tech pairings, and the first 10 planning episodes.

* Tranche B (Production/Sponsorship Match): Corporate partnerships driven by tech/aerospace positioning alongside the WOWLS! www.Wowls.com infrastructure framework.

* Tranche C (Short-Form Creator Studio Synergies): Monetization and co-production amplification through the ISREEL™ Creator Kit and vertical asset distribution.

3. Risk Mitigation & Fiscal Discipline

Lean operational footprint minimizing traditional high-overhead agency costs through automated production tools.

Multi-stage milestone payouts mapped to regional border crossings and package segment updates.
